Please see some clarifications on the glyphosate questions, below, when you can get to them.

Jon,

Bob Perlis and Mark Dyner are no longer with EPA, but I'm adding Joe Cole for PTSLO. We'll work with OCSPP to set up something to address your questions.

Thanks,
Kamila

Attorney Client Privilege, Attorney Work Product, FOIA-Exempt Deliberative

Good morning EPA colleagues,

I hope this email finds all of you well. Matt O. may already be coordinating with you, but reminder the I will be arguing on behalf of the U.S. next week in the Hardeman v. Monsanto case in the Ninth Circuit. Recall that the U.S. submitted an amicus brief in support of Petitioner stating that FIFRA expressly preempts the plaintiff's state law failure to warn claim that Roundup should have borne a cancer warning, contrary to the EPA approved label. A copy of that brief is attached.
